Sales for the day.

Union Pacific sold up to 47½ and ended at 46½. Western Union after an advance to 62½ (4 per cent) closed weak at 61½. Considering the excited condition of the market, the day's business (459,013 shares) was not large. There occurred the usual after-delivery-hour flurry and excitement about buying stocks in "under the rule," with the usual delivery on the rostrum, so that the purchases were covered by 300 Union Pacific, 200 Delaware, Lackawanna and Western, and 800 Central and Hudson. The market closed excited and unsettled.

Government bonds were quiet and steady, with the bids for the 3s and the 4½s per cent higher. Annexed are the closing quotations:

EX-INTEREST.

The sales of State bonds were covered by 5 South Carolina Brown consols at 105½. There were no transactions in city bank stocks.

The market for railroad bonds was a strong contrast to the share market. The business done was small, with few changes in prices and quite as many declines as advances. Chesapeake and Ohio firsts, series B, were 3½ per cent high and the currency its were up 100 and East and West were off 100 and 100½. The market closed with 100 and 100½.

The quotations according to the American classification are as follows:
